**RE: Docket No. AB- 68 (Sub No. 4X)**

Dear Sir,

This letter is in response to the above-referenced project.

At this time, this office doesn't have any information concerning the presence of any Indian Traditional Cultural Properties, Sacred Sites or other Significant Properties to the projected area/s. This is not to say that such a site may not exist, just that this office does not have any available information of the area/s at this time.

However, it is our suggestion that you contact Mr. Earl Meshigaud of the Hannahville Potawatomi Indian Community at (906) 466-2932 or Ms. Pauline Spruce of the Keweenaw Bay Indian Community at (906) 353-6623 ext. 4140 or Ms. Giiwegiizhigookway Martin of the Lac Vieux Desert Band of Lake Superior Chippewa at (906) 358-4577 ext. 135. These Tribes are located nearer the above-described area/s and would be better-suited to answer your requests.

We thank you for including the Little Traverse Bay Bands of Odawa Indians in your plans.

Respectfully,

A handwritten signature in black ink that reads "Leonard J. Mitchell".
